Examples of such connections and interests include, but not limited to, the following. The judge has; bred or previously owned the horse or acted as an agent in its sale; previously competed, trained or kept the horse at livery; previously or currently had a financial or other interest in the horse. In the event that a judge/owner/rider (or their agent) knows of, or should know of, any potential and/or perceived conflict of interest in a horse entered in the competition they must declare this to the Organiser as soon as it is known. Steps will be taken to manage it as practically as possible. Any potential conflicts will be written and displayed next to the scoreboard. Conflicts at the Final will be avoided and managed by Burghley Horse Trials
13. It is a condition of entry that all riders, owners, grooms, and their connections/relatives, must conduct themselves and communicate in a respectful manner towards the public, officials, and all other parties present or entered in the competition. Such behaviour includes respect for the Judges and their decisions, which are final. Offensive behaviour, and/or other violations of this condition, may lead to sanctions such as disqualification and future bans
