Vehicle Pass Allocation

Exhibitors will be issued with one vehicle pass. Please display passes visibly in windscreen before arriving at the Showground. Exhibitors requiring more than one vehicle pass should email their request to the Show Office with an explanation why an extra pass is needed before the close of entries.

Classes

The Newark and Nottinghamshire Agricultural Society reserves the right to split or amalgamate classes once entries have closed and based on the numbers entered. Exhibitors will be notified before the show.

Protective Headgear

Any person riding a horse or pony, whether as a **competitor** or **judge**, anywhere on the showground must wear a hard hat of a standard approved by their appropriate governing body. Those failing to abide by this rule will face disqualification.

Head gear must be worn with the chin strap correctly and securely fastened at all times.

Owners / handlers

All horses and ponies **MUST** have a competent person in charge and must stay in the horsebox parking area, horse walks, collecting rings or rings unless otherwise instructed.

Dress code

All exhibitors, grooms and handlers appearing with animals in the judging rings must be of smart appearance and in proper dress code (not jeans), with appropriate headgear.

Conduct

Once an exhibitor or handler has entered the judging ring with their exhibit, they may not leave the ring with the exhibit before the completion of judging of the class except with the permission of the judge or steward. Any exhibitor or handler contravening this rule will be disqualified from competing.

Fall of horse, pony or rider

Fall of a horse, pony or rider during any class will result in elimination. The rider must not remount in the ring and must be seen by a medically qualified attendant before remounting.

Concussion

Concussion is a condition that is not always obvious. It can have very serious after effects. Following the fall of a rider or head injury to a handler inside or outside of the ring, the advice of a Show appointed paramedic or doctor must be sought and followed. Medical advice must be obtained before a rider may ride again or handler compete. If concussion is suspected, a rider must not ride, or handler compete again that day and they should be taken immediately to A&E or a doctor.

This advice must be relayed to the competitor and/or a parent/guardian/friend/supporter and care must be taken to make sure they understand the seriousness of the injury.

Later, medical assistance must be sought immediately if there are any of the warning signs which can occur, such as are deterioration of consciousness, restlessness/irritability, vomiting, a persistent or worsening headache.

Suitably Mounted

All animals ridden anywhere on the Showground, rings, or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Hire/lease

A horse or pony leased for the season will be considered to be the property of the person to whom it is leased only if the lease has been registered with the appropriate authority.

Stud book

Every horse entered for competition in the breeding classes shall be entered for, or eligible for entry in the Stud Book of its breed in the United Kingdom.

Age

It is only necessary to state the year of birth in respect of horses except that of foals where details are listed below.

Foals

The exact date of birth of foals must be stated on the entry form. No foal under the age of THREE WEEKS will be allowed on the Showground. **Foals must be shown with their Dam.**

Horse Walks

Horse walks are in operation. All horses and ponies, ridden and in-hand MUST keep within these designated routes, and exhibitors, competitors and grooms must comply with any instructions from Officials, Stewards or signage around the Showground.

Working in Areas

Working in areas are provided for exercise. No lunging is allowed on the Showground. The use of any of the Judging Rings, Collecting Rings or any other prohibited area of the Showground for exercising animals is strictly forbidden and all instructions from Stewards or other Society representatives must be observed. Failure to comply may result in automatic disqualification.

Equine Passports

All exhibitors are expected to comply with Horse Passport legislation and bring the appropriate documentation with them to the Show and to be responsible for the documentation at all times.

Equine Influenza (Updated 05.01.2024)

- An initial primary course of two vaccinations must be given: the second vaccination must be administered within 21- 92 days of the first vaccination.
 - Horses may attend events 7 days after receiving the second vaccination of the primary course. (for clarity: no horse or pony may compete on the same day as a relevant injection is given or on any of the 6 days following such an injection)
 - The first booster must be administered within 7 calendar months of the second vaccination of the primary course.
 - Booster vaccinations must be administered at a maximum of 12 months intervals.
- Random checks will be carried out on the showground during the show by the Society's official Vet.

Health of Horses & Ponies

We urge all owners and their representatives to adhere to strict biosecurity both at the show and once they return home.

In all classes animals must be practically sound. No veterinary inspection will be required except where it may be considered necessary by the Judges. The owner of an animal rejected for unsoundness may be given a copy of the Veterinary Inspector's Certificate, and if desired may remove the animal from the Showground. The Society will not be liable for any cost ensuing from rejection on any such grounds.

Certification of Health

Horses sent direct from other EU Member States must be accompanied by Certification of Health in accordance with the appropriate Trade Directive for the species, including additional certification granted to the UK under Community provisions. It is the sole responsibility of the exhibitor to ensure that the animals will be eligible to return to their Member State.

Vet Boxes

Vet boxes will be located close to each section and should be used for animals that are injured or showing signs of illness and disease.

All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his/her stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him/her until he arrives in the ring. 45. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with

at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society of its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

A limited amount of straw is provided in the livestock lines. Extra bales are available to purchase at £4 each.

In the event of cancellation or termination pursuant to clause above, this Agreement shall determine automatically, and the Society shall repay to the Exhibitor all charges and fees already paid under this Agreement (if the Show is cancelled before its commencement) or a rateable proportion of such charges and fees (if the Show is terminated after its commencement) but otherwise shall be under no liability to the Exhibitor or its sub-licensees for any loss which they may sustain in consequence of any such determination and the Exhibitor shall in the event of determination be under no liability to the Society in respect of its future obligations under this agreement (but without prejudice to any rights of either party against the other in respect of any claim accrued under this Agreement down to the date of such determination).
